PETITION

COMES NOW the plaintiff and for its cause of action against the defendants alleges:

1. Plaintiff is a body politic and corporate, and is a duly organized and existing county of the State of Kansas. Kansas statute expressly authorizes the institution of this proceeding to foreclose tax liens against real property in Sedgwick County, Kansas. Said liens and real property are more specifically described in Exhibit "A", made a part hereof by reference.
2. All requirements of law pertaining to assessment, levy, taxation, publication and proof thereof, sale and purchase in the name of Sedgwick County, Kansas, as prescribed by K.S.A. §79-2301 et seq., and every other legal condition precedent to judicial foreclosure of said tax liens, have been performed and satisfied. The taxes have not been paid as required by law, and all the within described real estate is subject to foreclosure and sale for delinquent taxes.
3. The caption of this Petition is incorporated herein and made a part hereof by reference. The persons named as defendants therein are the owners and supposed owners, and persons having or claiming to have an interest in the lands described herein, so far as plaintiff is able to ascertain, but the exact nature of such ownership and interest is unknown to the plaintiff.
4. Plaintiff further alleges that it has diligently inquired as to the residences and whereabouts of the defendants herein and, except as set forth in the caption hereof, is unable to state the residences and whereabouts of the defendants, and each of them, or whether any of them are dead, and, if they or any of them be dead, plaintiff is unable to ascertain the names, residences, whereabouts and identity of the heirs, executors, administrators, devisees, trustees, conservators and assigns of such defendants. Upon diligent inquiry plaintiff is unable to ascertain whether the defendant corporations named herein are domestic or foreign corporations, nor their legal status, nor whether they continue to have legal existence and officers, nor the

names and whereabouts of the successors, trustees or assigns, if any, of such corporations as may be dissolved. All of the defendants herein named, and those claiming under or through them, should be required to appear herein, so that all claims, estates, titles and interests may be determined by the decree of this Court and so that the tax lien therein to be foreclosed may be adjudged a good, valid and perfect first and prior lien upon each tract, lot or piece of real estate described herein, for the taxes, together with interest, charges, penalties and costs thereon.

5. Exhibit "A" is a schedule containing information pertinent to this proceeding and is attached hereto, incorporated herein and made a part hereof by reference. Each tract, lot and piece of real estate intended to be included in this foreclosure proceeding is described as a separate item upon Exhibit "A," and that each such tract described upon Exhibit "A" also carries a geocode number by which it is identified in the files of the Sedgwick County Treasurer and Sedgwick County Clerk.

6. Said lands described in Exhibit "A" are all in Sedgwick County, Kansas. All of the descriptions used in Exhibit "A" are intended to indicate with ordinary and reasonable certainty the real estate intended to be included in this foreclosure proceeding.

7. Each item described upon Exhibit "A" is also subject to charges occasioned by this foreclosure proceeding and to an equitable portion of the costs of this proceeding to be fixed and determined by the Court herein.

8. The plaintiff's lien is for unpaid taxes on the real estate in question and is a first and prior lien to the liens and claims of all of the defendants herein, including the unknown members of the classes set forth in the caption hereof. Plaintiff is unable to allege in greater detail the nature or extent of the claims of any of the defendants, and is unable to allege which, if any, of the defendants may be dead, and which, if any of the corporate defendants may be

dissolved, and in the event of such death or dissolution, the plaintiff is unable to allege the names of the heirs, executors, administrators, devisees, trustees, conservators and assigns, if any, of the decedent or the successors, trustees, and assigns of any dissolved corporation or the whereabouts of any of said persons, except as alleged herein. Plaintiff respectfully requests that each defendant and those claiming under or through any of the defendants herein, be required to appear in this cause and to assert what interest, if any, they or any of them have or claim to have in and to any of the real estate described herein so that all claims, estates, interest and titles may be determined by the decrees of this Court and so that the plaintiff's tax lien herein may be foreclosed against each parcel listed on Exhibit "A" and adjudged to be a good, valid and perfect first and prior lien upon each parcel.

9. Plaintiff is entitled to a decree of this Court determining the amount of taxes, charges, interest and penalties chargeable to each particular tract, lot and piece of real estate in such amount as the Court shall determine, and to judgment for costs herein equitably apportioned against each tract, lot and piece of real estate and to judgment for charges herein, and for judgment determining the owner or parties having an interest herein, and to a decree adjudging the amount so found to be due to be a first and prior lien upon each item of real estate described in Exhibit "A" and for an order directing that each item of real estate described upon Exhibit "A" be sold at public sale for the satisfaction of each lien and for other necessary relief.

10. The defendant, United States of America, is a sovereign nation and has consented to be sued in actions of this nature by 28 U.S.C. §2410. The United States of America or its agencies may claim a lien or interest in some of the properties described in Exhibit "A" by virtue of certain liens which are specifically described in Exhibit "B", attached hereto and incorporated herein by reference. Further, the United States may have an interest in other parcels

identified and described in Exhibit "B"; however, plaintiff's investigation to date has not revealed information sufficient for plaintiff to specifically identify and describe the same.

WHEREFORE, plaintiff prays that the Court determine the amount of taxes, charges, interest and penalties chargeable to each particular tract, lot or piece of real estate described herein; the name of the owner or party having an interest therein and that the Court adjudge and decree the amount due to be a first and prior lien upon the real estate; that each defendant be required to appear and establish their claim, estate, title or interest in said property; and that the same be sold at public sale for the satisfaction of the lien, costs, charges and expenses of the proceedings and sale and for other necessary relief.
